## MESSAGE FROM THE ACTING REGIONAL BOARD CHAIRPERSON

I wish to extend heartfelt gratitude to our Class of 2020 graduands and their families. Your devotedly steadfast hardwork and focus has yielded good results. Today, in the company of your supportive families and friends, you are not only celebrating a significant milestone but also leaping into the world of opportunities to further refine your potential.

*On behalf of the Board of Directors,  
I Congratulate You For  
The Great Achievement.*

## MESSAGE FROM THE REGIONAL DIRECTOR

‘Investment is self-driven, if no one invests in you, invest in yourself. If no one believes in you believe in yourself. Never be discouraged, give everything you’ve got. Pursue a game changing life – behave and think like a game changer, populate your head with best ideas, books, and conversations and on what is working not what is not working. As soon as you pursue your dream, your life wakes up and everything has a meaning – Barbara Sher

*To the lecturers, both internal and external, support staff and management at large, thank you for moulding our future leaders. I congratulate all the graduands today and encourage you to chase your dreams into the future.*

*Once again, Congratulations class of 2020!*

Mr Richard B. Malikongwa

## TEACHING AND TRAINING ONLINE SHORT COURSE

**FEE:**  
**M2,500.00 PER PERSON**

### Objectives

This Course is intended for policymakers, administrators, educators and others engaged in selecting, hiring, training and supporting teachers and trainers to provide quality online instruction to students and employees or in making policy choices affecting online education and training.

It is designed to provide an overview of the development of an effective online education and training system, focusing particularly on the skills teachers and trainers need to teach and train effectively online, the professional development necessary to acquire those skills, and the models schools and organizations need to evaluate and improve online teaching and training.

### Design

This course to Teaching and Training Online is the product of the Institute of Development Management (IDM Lesotho). It aims to ensure that the quality of online instruction to secondary employees and students in our region is met
